

# KPDX RAID RULES

1. Be on time
2. Be mindful of others' time by listening, being ready, and being mentally present for raid. Nine other people are here to raid; if you are distracted, it's okay to leave.
3. Be flexible! We may need you to tweak builds to suit the fight.
4. Check the Fractals and Raids Discord channel often
5. Have all basic masteries unlocked (at least mushrooms, updrafts, ley line gliding, raptor with long jump)
6. BE NICE
